Eric C. Burton: Chief Financial Officer

**Contact:** eburton@ahihealth.org // 518.480.0111 Extension 201

**Oversees:** Finance, Accounting, Contracting, Information Technology, Human Resources, and Medical Billing.

Eric Burton is chief financial officer of AHI. He has leadership responsibility for building and managing effective and streamlined administrative and financial systems, overseeing finance, accounting, budgeting and other operational areas.

Burton joined AHI in April 2016. He is a health care financial and operations leader with more than 25 years of experience. Prior to joining AHI, he was chief operating officer at Hometown Health Centers in Schenectady, NY. Prior to being named COO, he held the position of chief financial officer for more than five years, overseeing a successful financial recovery plan for the organization. Burton also previously held the position of chief financial officer at Hudson Headwaters Health Network in Queensbury, NY, and director of finance for McClellan Health Systems in Cambridge, NY.

Burton received a Bachelor of Science degree in Finance and a Certificate in Accounting from Siena College in Loudonville, NY. He is a member of the Healthcare Financial Management Association. In 2014, he was named to the Albany Business Review’s CFO of the Year class.
