

North Country Telemedicine Conference

November 12th, 2015

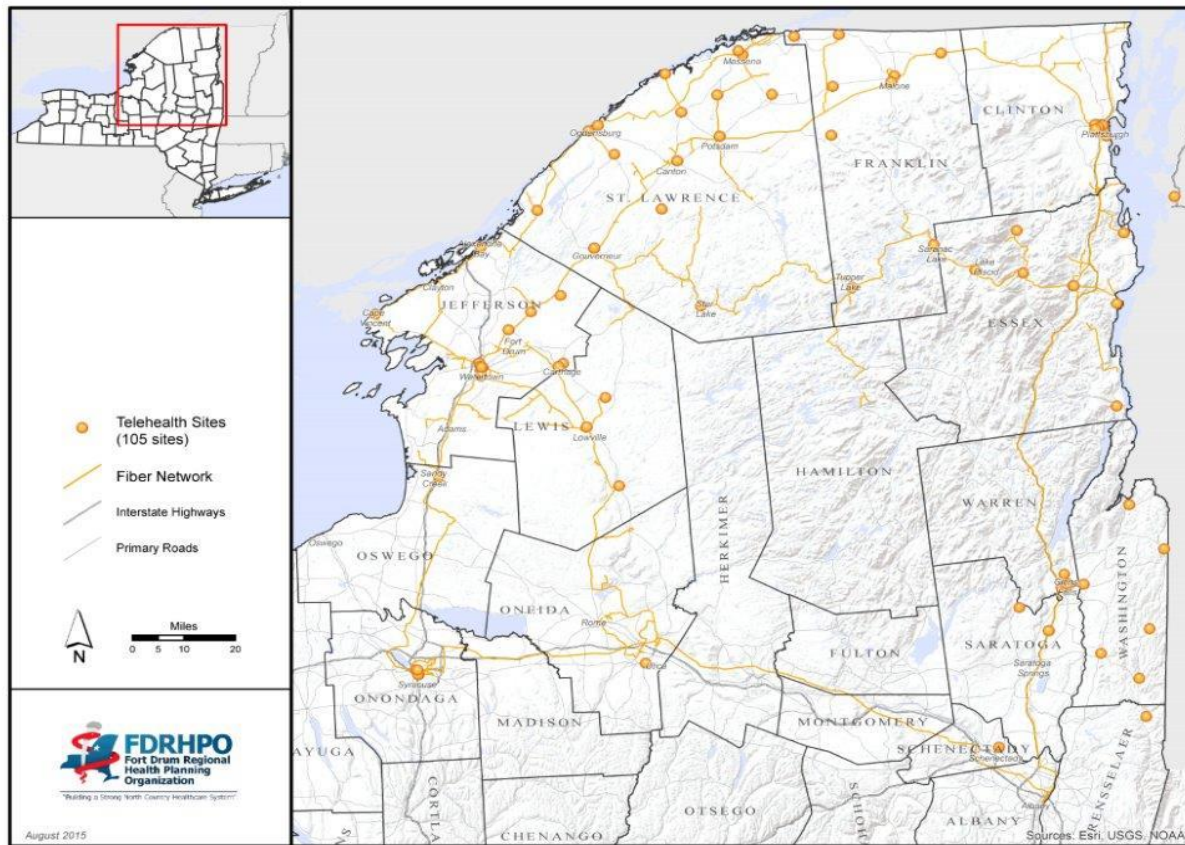

David C. Johnson
Telemedicine Project Coordinator

FDRHPO's Mission

To strengthen healthcare for Fort Drum Soldiers, their families, and the surrounding civilian community by analyzing the healthcare system, identifying gaps and leveraging resources to fill those gaps through regional partnerships.

The North Country Infrastructure

NCTP Network: Telemedicine Services

- ▶ Telepsychiatry
- ▶ Telepsychology
- ▶ Teleneurology
- ▶ Telemedication Reconciliation
- ▶ TeleStroke
- ▶ Remote Patient Monitoring

In 2014, we tracked 40 patient encounters.

Year-to-date in 2015, we've tracked over 190 patient encounters!

The Future

- ▶ Tele-Endocrinology
- ▶ TeleRheumatology
