Glens Falls Hospital, Nathan Littauer Hospital Awarded DOH Statewide Health Care Facility Transformation Program Funding

Congratulations to our partners at Glens Falls Hospital and Nathan Littauer Hospital for being awarded funding through the New York State Department of Health's Statewide Health Care Facility Transformation Program.

Glens Falls Hospital will receive nearly \$20 million to help construct an integrated, patient-centered "Medical Village" on the main hospital campus. A Medical Village brings together a wide range of outpatient medical services in one location, improving accessibility and coordination of care for patients, and communication and coordination between health care providers.

Nathan Littauer will receive nearly \$3 million to design, construct and equip a primary care and specialty care facility on its hospital campus.

The two hospitals and four other greater Capital Region organizations will receive grants totaling nearly \$32 million, part of the state's \$491 million initiative to provide better health care to New Yorkers.

Reminder: AHI Offering Cultural Competency and Health Literacy Champions Opportunity to PPS Partners

The AHI PPS is excited to offer partner organizations an opportunity to take part in its Cultural Competency and Health Literacy (CCHL) Champions program. CCHL Champions will lead, monitor, and sustain implementation of initiatives within their organization to promote individual and organizational health literacy and the provision of culturally-competent care and services.

Anticipated workload is eight hours per month and participating partner organizations will be provided a nominal stipend for meeting program requirements and deliverables. AHI staff will facilitate training, provide relevant materials, offer as-needed on-site support, and host monthly status calls with all AHI PPS CCHL Champions.

If interested in learning more about this opportunity for your organization, please contact Melissa Davey at 518.480.0111, ext. 312, or mdavey@ahihealth.org by next Thursday, August 3.

Reminder: Registration Open for Northeastern NY Innovation Summit, August 11 in Saratoga Springs

Four regional DSRIP Performing Provider Systems, including the AHI PPS, invite you to join us to explore innovative solutions to drive meaningful change and improve the quality of health of Medicaid recipients at the [2017 Northeastern New York Health Innovation Summit \(NENYHIS\)](#), 7:30 a.m.—5:00 p.m., Friday, August 11, at Skidmore College in Saratoga Springs.

Please visit [Want to Attend NENYHIS?](#) to register. The cost to register is \$26, but that amount will be reimbursed to you after you attend the summit. A continental breakfast and lunch will be provided.

If you have additional questions, please contact Teri Olsen Spina at tolsenspina@gmail.com.

Follow AHI on Social Media

We invite you to follow AHI's various social media pages for updates on DSRIP- and other population health improvement-related initiatives. Please connect with us, invite your friends and colleagues to follow us, and share our posts.
