Date, Year

CBOs in the AHI PPS: A Snapshot

- 68 CBOs have signed Terms of Participation
- Represented in each of the 11 PPS projects, on Steering Committee, and governance sub-committees
- Cover 9 county service area
- Sectors include housing/homeless services, community action, public health, behavioral health and substance abuse, family services, EMS, home care

Road to Value Based Payment (VBP)

“Many CBOs have years of experiencing improving SDH (Social Determinants of Health). This expert understanding of community needs, coupled with support and clinical expertise of a provider network, could make a significant impact on population health and generate savings for the entities involved.”

NYS DOH Path toward Value Based Payment: Annual Update, June 2016: Year 2 , p. 42

What's next?

- Provider organizations and CBOs should begin to build collaborative relationships within DSRIP's framework.
- Identify potential partnership opportunities by assessing:
 - Local social determinants to health
 - Needs identified by community
 - Gaps identified by data and hotspotting, partners, projects and workstreams
 - alignment with PPS project goals

Collaborate on Shared Goals

- Population Health
- Triple Aim
- PPS Quality Measures
- Prevention Agenda Indicators
- *PPS Project Requirements*
- *Actively Engaged*

Define Your Value

- How can your organization help achieve the goal(s)?
- What services or functions can you perform that will enable success?
- Why are you the organization best able to fill this role?
- How much does it cost you to provide the service or function?
- How is the service currently reimbursed or funded?
- What would be a better way?

Three Avenues:

- AHI PPS Innovation Fund
 - CBO, or group of CBOs, responds to the RFP
- Vendor Agreement with AHI PPS
 - CBO contracts directly with AHI
- Subcontractor to an AHI PPS Participating Organization
 - CBO contracts with a PPS Partner to provide a service
